

## **SANDSTONE SAND DUNE**

Rock Face 350 x 230 x 248 Quoin Blocks

A quoin block is pre dressed for use on pillars and corners; it has the rock face texture on one of the side ends, as well as the front. It also has a margin around each edge, framing the rock face texture.

This high quality, fine grain sandstone will stand the test of time. Its subtle sandy/salmon colour with the slightest brown veining offers warmth and beauty.
