

TRAVERTINE MUSCOVADO

Enhanced Tumbled French Pattern Paving, nominal 30mm

all sizes available: 610 x 330 x 30 Bullnose Coping, 610 x 406 x 12 Tiles, French Pattern Paving

This pure travertine embodies so many of the travertine examples found all through Mediterranean streets. With its warm natural colour variation, natural texture, and cut into a mixture of square and rectangular sizes, with tumbled edges, this authentic feeling stone seems to capture the essence of the Mediterranean.
